

Purometallo Colours

^{EN} There are six different Purometallo colours. It is also possible to obtain various tactile effects according to the tool one uses to decorate the surface.

The colours listed in this page are only indicative; Ideal Work authorised applicator will create an ad hoc sample for you to see and touch the colour and finish you would like to choose.

^{IT} Sono presenti sei differenti colori di Purometallo. È inoltre, possibile ottenere diversi effetti materici a seconda dello strumento utilizzato per decorare la superficie.

I colori riportati in questa pagina sono solo indicativi, sarà poi l'applicatore autorizzato Ideal Work che realizzerà un campione ad hoc per poter vedere dal vivo colore e finitura.
